Dear President,

King Mongkut's Institute of Technology Ladkrabang and the Ecole 42 Computer Programmer School in Paris, France have collaborated and established "Ecole 42 Bangkok", a world-class programmer institute, which is the first of its kind in the ASEAN region under the KMITL 60th Year: GO Beyond the Limit program. 42 Bangkok has three main concepts as follows: No Teachers, No Tuition, and Non-Degree, where interested people of at least 18 years old and older can develop through innovative teaching and learning design aimed at developing high-quality programmers with imagination and creativity as well as computer expertise.

In this regard, King Mongkut's Institute of Technology Ladkrabang would like to request your help to promote the 42 Bangkok program to your students and staff.

For those who are interested, please click on "Apply" at the website <https://www.42bangkok.com> for more information, please contact us by email (info@42bangkok.com) or phone (02 329 8140 or 02 329 8000 ext. 3008).

Best regards,

A handwritten signature in black ink that reads 'Chaiyan Jettanasen'.
